WORK FXPERIENCE

IN2 INNOVATION | CONTRACT INDUSTRIAL DESIGNER

June 2025 - Sept 2025 | Dallas, TX

- Assisted the end-to-end design and development of products across various industries, including sports and kitchen appliances.
- Developed critical skill sets such as hands-on prototyping, parametric master modeling in SOLIDWORKS, and DFM.

MILWAUKEE TOOL | INDUSTRIAL DESIGN INTERN

Jan 2025 - May 2025 | Milwaukee, WI

- Acted independently as the voice of industrial design in a cross-functional team, working with overseas vendors in a fast-paced environment to deliver real products for the lighting and lifestyle market.
- The product is slated to launch at Home Depot in June 2026.

FREELANCE | INDUSTRIAL DESIGNER/CONSULTANT

Aug 2024 - Jan 2025 | Raleigh, NC

• Worked with a client to develop sketches, patent drawings, and physical prototypes for a commercial hydroponics startup.

GARMIN | INDUSTRIAL DESIGN INTERN

May 2023 - Aug 2023 | Olathe, KS

- Conducted user research, sketch concept development, and demonstrated a problem-solving mindset while developing a concept design for a dive propulsion vehicle (DPV).
- Mastered advanced surface modeling techniques in SOLIDWORKS.

3M | INDUSTRIAL DESIGN INTERN

June 2022 - Aug 2022 | Saint Paul, MN

- Developed designs for the Safety and Industrial Business Group that align with 3M's established visual brand language.
- Applied consumer insights and user-centered design principles to improve the functionality and user experience of existing products.

NCSU COLLEGE OF DESIGN | GALLERY DESIGNER

June 2021 - Aug 2021 | Raleigh, NC

- Designed and 3D modeled interior product display units with great attention to detail for NC State's new industrial design building, showcasing works of alumni.
- Demonstrated hands-on fabrication skills to bring engaging concepts to life, including a levitating shoe display for Jason Petrie's LeBron 18 sneakers.

EXTRACURRICULAR EXPERIENCE

WOLFGANG A CAPPELLA | Music Director/President

Mar 2023 - May 2024 | Raleigh, NC

• Composed music, led rehearsals and workshops, and performed executive duties for a colligate a cappella group.

HONORS/AWARDS

2018 Patent: Crayon Recycling Cartridge (publication no. US-10144158-B1)

2023 NCSU College of Design Leaders Council Meeting Student Presenter

2024 NCSU Student Merit Award Winner
